Back to our first love, nothing between us
E B G#m F#
Back to your heart, to the start of it all, where we found you
E B G#m F#
Out of the ashes, into the fire
E B G#m F#
You are refining our hearts in the flames of your presence

E B G#m F#
Set apart for our God above, set apart for the one we love
E B G#m F#
Set apart for your glory, we are yours, yours

E B G#m F#
Sacred and holy, your name is worthy
E B G#m F#
Jesus, awaken our hearts now to be your revival

E B G#m F#
Set apart for our God above, set apart for the one we love
E B G#m F#
Set apart for your glory, we are yours, yours
E B G#m F#
Everything for you alone, everything to make you known
E B G#m F#
Set apart for your glory, we are yours, yours

G#m E B F#
Woah, how great you are
